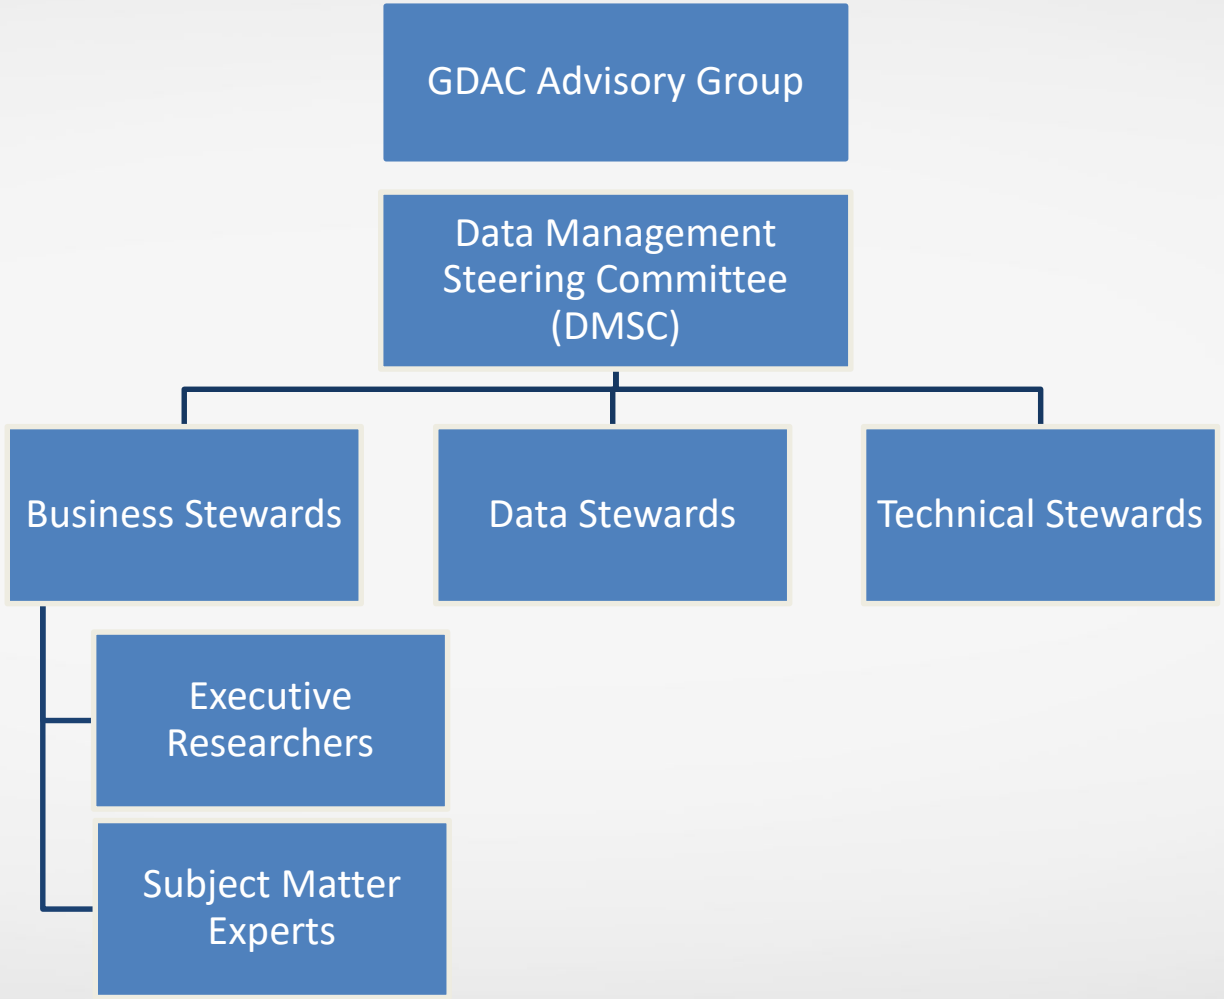
GDAC Data Governance



GDAC Accomplishments

- Built a modern data cloud in 120 days.
  - Nationally recognized by STATESCOOP with **State IT Innovation Award for the year 2022.**
  - Established several data sharing agreements
    - Tireless follow-up; most complicated
  - Published several data dashboards to support Health initiatives, Education and Financial data
  - Created dashboards for OPB Divisional Directors to efficiently monitor and manage agency budget.
  - Supported several tactical data needs and use cases.
